

# That's the Life of a Farmer

This is the way we dig and hoe,  
This is the way we dig and hoe,  
This is the way we dig and hoe,  
That's the life of a farmer.

We'll plant the seeds and watch them grow,  
We'll plant the seeds and watch them grow,  
We'll plant the seeds and watch them grow,  
That's the life of a farmer.

Here come the bunnies, hippity hop,  
Here come the bunnies, hippity hop,  
Here come the bunnies, hippity hop,  
That's the life of a farmer.

Out of my garden, out you go,  
Out of my garden, out you go,  
Out of my garden, out you go,  
That's the life of a farmer.

# My Dog Rags

I have a dog and his name is Rags,  
He eats so much that his tummy sags.  
His ears flip flop and his tail wig wags  
And when he walks, he walks, zig zag.

He goes flip flop wig wag zig zag,  
He goes flip flop wig wag zig zag,  
He goes flip flop wig wag zig zag,  
I love Rags and he loves me.

My dog Rags, he loves to play,  
He rolls around in the mud all day.  
I whistle, he won't obey.  
He always runs the other way.

He goes flip flop wig wag zig zag,  
He goes flip flop wig wag zig zag,  
He goes flip flop wig wag zig zag,  
I love Rags and he loves me.

I love Rags and he loves me.

# A Mouse Lives in a Little Hole

A mouse lives in a little hole,  
Lives softly in a little hole.  
When all is quiet as quiet can be,  
Out pops he!

And he runs all around  
And he runs on the ground  
And he run and he runs and he stops.

And he runs all around  
And he runs on the ground  
And he stops and he looks and goes down.

# Lots of Worms

*(Chorus) Well there are lots of worms, way under the ground.*

*Lots of worms that I've never found.*

*But they're way down there*

*Digging around.*

*Way under the ground.*

If you hear a sound from under a mound.

A funny sound way down in the ground.

You know its wiggling worms wiggling around

Way under the ground. (back to chorus)

I dug the biggest hole I ever did dig.

They biggest hole, it sure was big.

And when I got to the bottom,

Don't ya know what I found,

Way under the ground. (back to chorus)

I found a worm to go on a fishing pole

Down at the bottom of that deep dark hole

But I left him alone

'Cause he like his home

Way under the ground. (back to chorus)

# Bought Me a Cat

Bought me a cat and the cat pleased me  
I fed my cat under yonder tree.  
Cat goes fiddle-i-fee.

Bought me a hen and the hen pleased me  
I fed my hen under yonder tree.  
Hen goes chimmy-chuck chimmy-chuck,  
Cat goes fiddle-i-fee.

Bought me a duck and the duck pleased me  
I fed my duck under yonder tree.  
Duck goes quack, quack,  
Hen goes chimmy-chuck chimmy-chuck,  
Cat goes fiddle-i-fee.

Bought me a pig and the pig pleased me  
I fed my pig under yonder tree.  
Pig goes griffy-gruffy,  
Duck goes quack, quack,  
Hen goes chimmy-chuck chimmy-chuck,  
Cat goes fiddle-i-fee.

# All Around the Gardner's Bench

All around the gardner's bench,  
It rained and rained for hours,  
Then one day the sunshine came out  
Pop! Go the flowers.

Flowers red and flowers blue  
Sing the flower given to you.

I am a daisy.  
I am a carnation.  
I am a daffodil.  
I am a rose.

When the gardner wasn't at home,  
The critters ate for hours,  
When the gardner came back home,  
What! Where's the flowers?

All around the gardner's bench,  
It rained and rained for hours.  
Then one day the sun came out,  
Pop! Goes the flowers.
