

Five Friends

Goodly__ * * *

Lovely__ * * *

Angel__ * * *

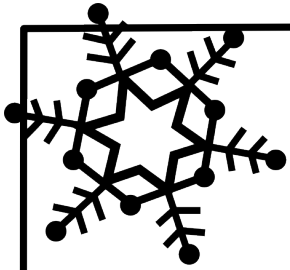

Neatly__ * * *

Perfect__ * * *

Notes:

The “__” means to hold out the last syllable.

The “*” means to snap your fingers

Sunrise on the Iceberg

Sunrise on the ice-berg,

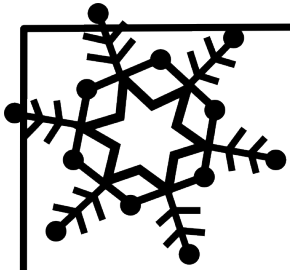

Orange, red, and gold,

Sunrise on the ice-berg,

Nice and cris-py cold.

Challenge: Take a step on the underlined words.

Extra Challenge: Snap on the words in red.

How Many Toes Does a Fish Have?

How many toes does a fish have?

Uh-huh, ** uh-huh. **

How many wings does a cow have?

Uh-huh, ** uh-huh. **

Count them, count them,

One by one.

It's so easy and so fun.

How many toes does a fish have?

Uh-huh, ** Uh-huh. **

Note: The " ** " are two claps between the uh-huhs.

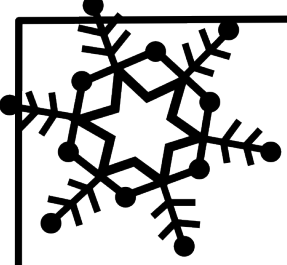

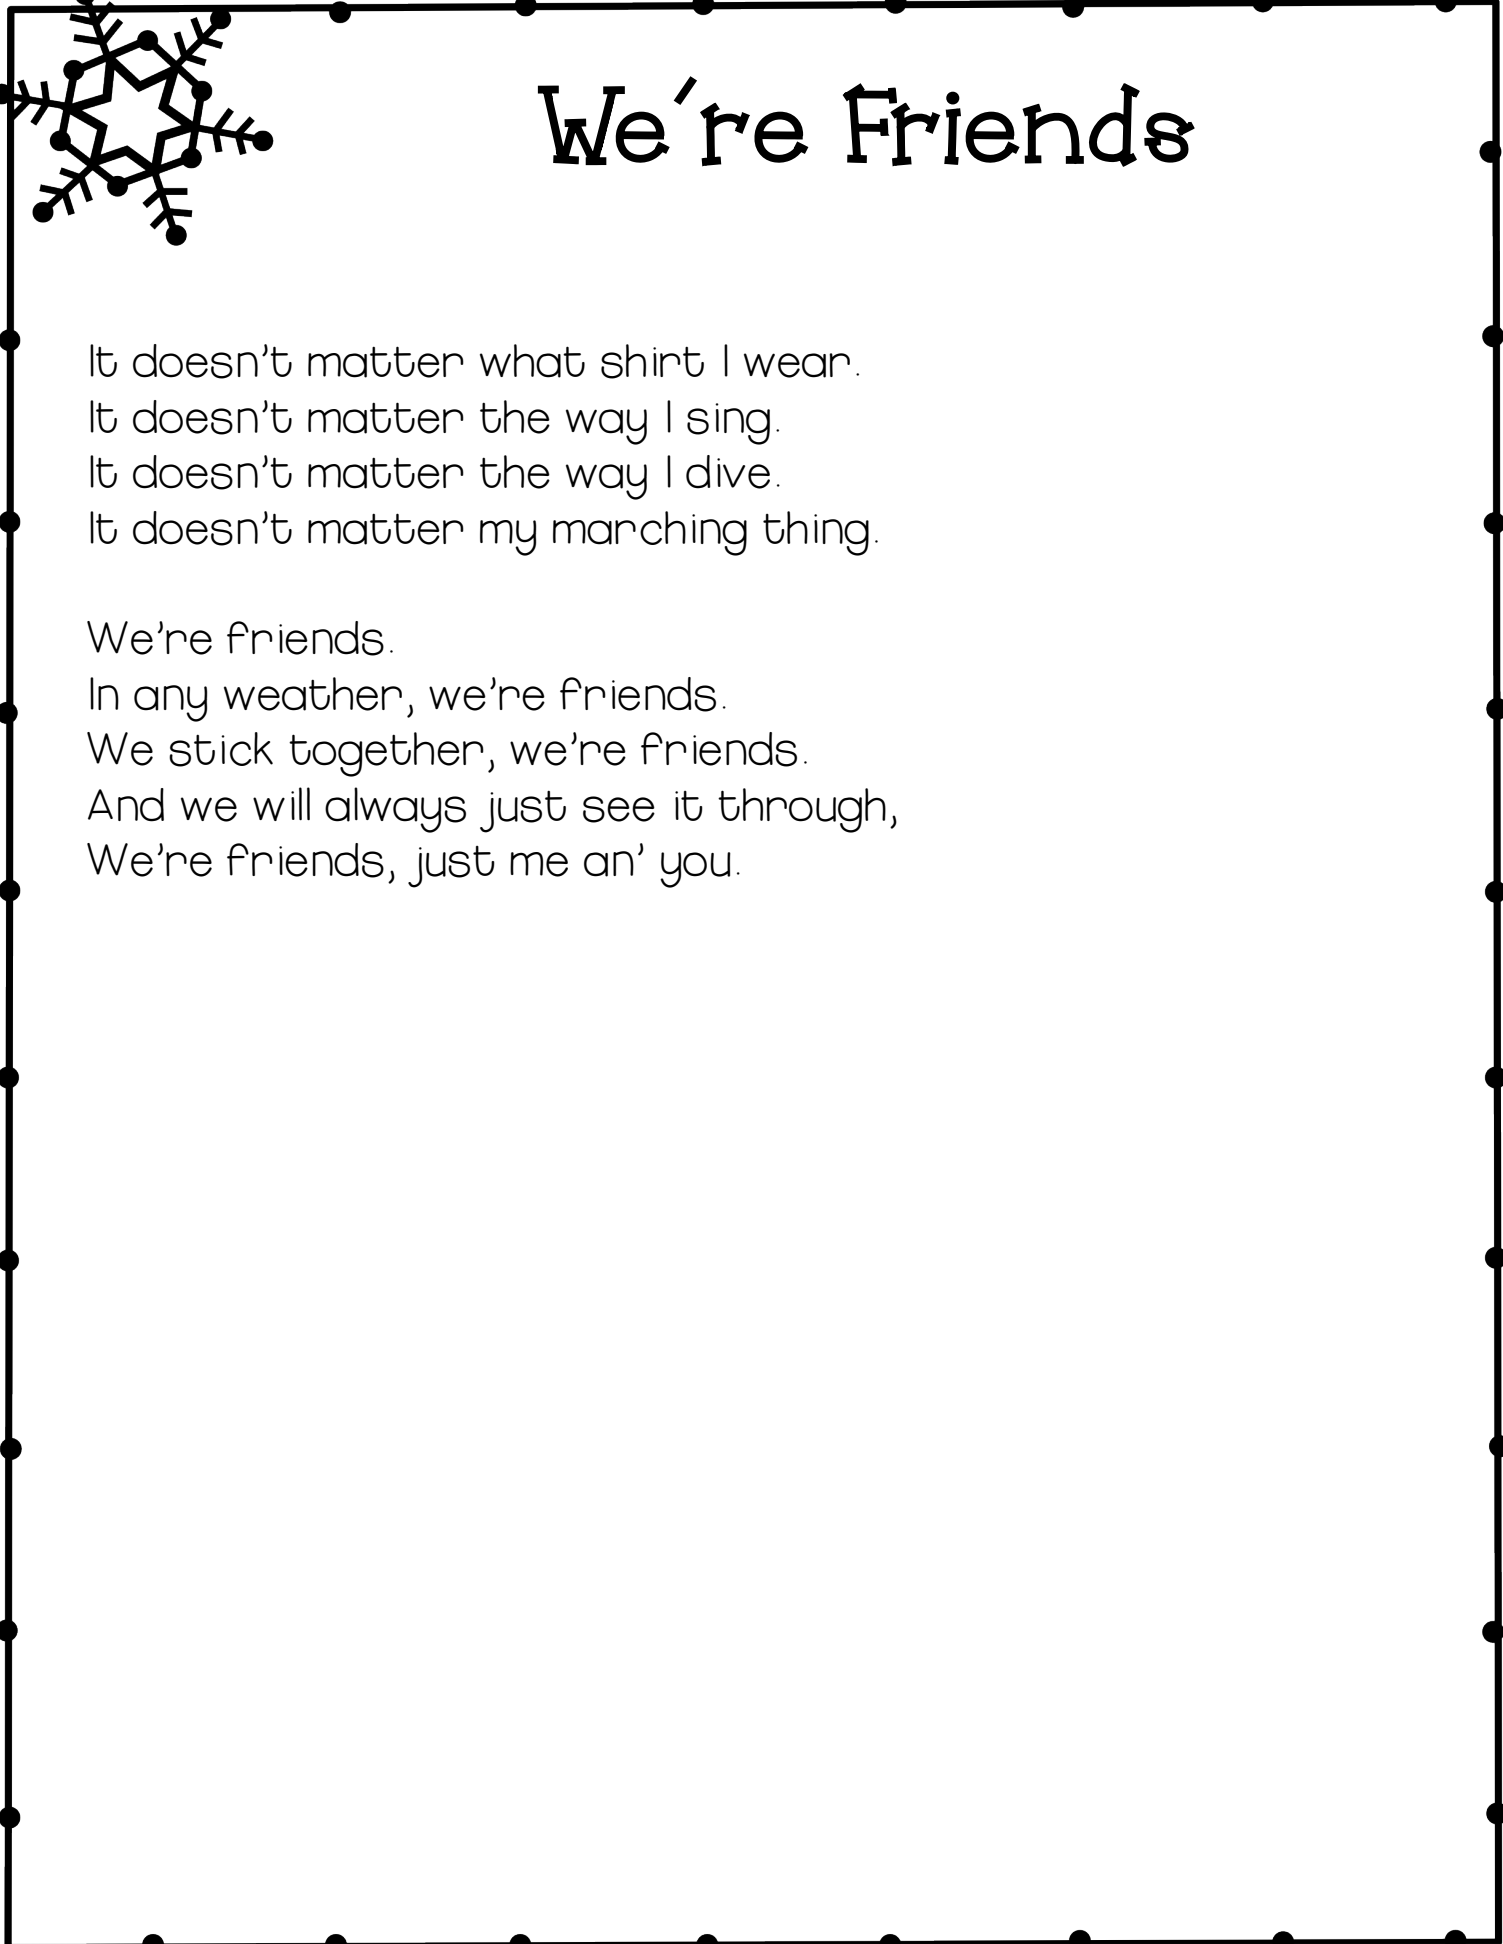

Hunter's Song

We're gonna catch some penguins,
We'll march 'em with a switch.
We'll sell 'em for a dollar.
Get rich, rich, rich!

Challenge: Add some pats to it!

Green = together, Red = Left Hand, Blue = Right Hand

We're Friends

It doesn't matter what shirt I wear.
It doesn't matter the way I sing.
It doesn't matter the way I dive.
It doesn't matter my marching thing.

We're friends.
In any weather, we're friends.
We stick together, we're friends.
And we will always just see it through,
We're friends, just me an' you.
